

1 MR. QUILLEN: Amendment No. 2 to Committee
2 Recommendation No. LB-1 by Delegate Gleason.

3 On Page 1, in Section 3.01, Legislative Power,
4 Line 16, strike out the words "House of Delegates" and
5 insert in lieu thereof "House of Representatives"; and

6 On Pages 1, 2 and 3 in Sections 3.04, Composition
7 of the Legislature, 3.05, Qualifications of Legislators,
8 and 3.12, Legislative Sessions, in each place where the
9 words "delegate", "delegates", or "Delegates" appear, strike
10 out such words and insert in lieu thereof the words "repre-
11 sentative", "representatives", or "Representatives",
12 respectively.

13 THE CHAIRMAN: The proposed Amendment No. 2
14 deals not only with Section 3.01, but also with Sections
15 3.04, 3.05 and 3.12, which are not yet before the Committee
16 of the Whole. The Chair would be disposed to ask unanimous
17 consent to consider the amendment as one amendment at the
18 present time, even though the other sections are not now
19 before you, with the understanding that action on this
20 amendment will not preclude consideration of further
21 amendments on the other sections. Is there any objection?
